[5:13:31 PM] alice: dont know until when though
[5:13:37 PM] alice: he told me in 344 lab
[5:14:48 PM] Mark Lauman: oh - ok
[5:15:03 PM] Mark Lauman: what do we want to do today?
[5:16:54 PM] alice: ah.right
[5:16:55 PM] alice: we should...
[5:17:07 PM] alice: get what we need to get done, done / started off
[5:17:29 PM] alice: let me check anna's email again
[5:17:34 PM] alice: for next week's deliverables
[5:17:44 PM] Mark Lauman: ok
[5:19:07 PM] alice: okays.
[5:19:15 PM] alice: lol
[5:19:16 PM] alice: we need 2 personae (duh..-mybad)
[5:19:32 PM] alice: and base persona's personality off finders
[5:19:36 PM] alice: sha sent out a "map"
[5:19:40 PM] alice: did your eceive that?
[5:19:52 PM] alice: "participant web"
[5:21:14 PM] alice: oh aha!
[5:21:18 PM] alice: you have that posted on doc
[5:21:18 PM] alice: XD
[5:21:22 PM] Mark Lauman: just got it
[5:21:24 PM] alice: foorgot that..
[5:21:37 PM] alice: did you get a chance to read the alan cooper reading?
[5:21:42 PM] Mark Lauman: well, mine is what I heard - not she wrote =)
[5:21:48 PM] Mark Lauman: not yet =(
[5:23:45 PM] alice: ya.i didn't read it yet either
[5:23:55 PM] alice: 14 pages FUN
[5:23:55 PM] alice: ...
[5:23:56 PM] alice: lol
[5:24:17 PM] alice: jack went over it all in class
[5:24:19 PM] alice: so we should be ... ok
[5:24:57 PM] Mark Lauman: I hope so =)
[5:25:14 PM] alice: hm.
[5:25:15 PM] alice: lo
[5:25:16 PM] alice: how to start.
[5:25:36 PM] alice: lets say for today..we get hte 2 personae done
[5:25:47 PM] alice: do you think tha'ts doable?
[5:26:10 PM] Mark Lauman: unsure - never had to do one before =)
[5:26:30 PM] alice: oh.
[5:26:36 PM] alice: had to do personas for 201XD
[5:26:38 PM] alice: lol
[5:27:08 PM] alice: ok
[5:27:12 PM] Mark Lauman: yay multiple runs of the same class not having the same material =)

[5:27:44 PM] alice: to have a good persona, we have to be .. [specific with details], [give name], [make it seem realistic], [give persona picture]

[5:29:27 PM] alice: ok

[5:29:30 PM] alice: doesn't seem too..b.adXD

[5:29:32 PM] alice: i think the hardest would be a comparison poster :S

[5:30:36 PM] Mark Lauman: from the doc, anna said one of our persoae should be the target user, and the other one a person slightly off target that we still want to hit

[5:31:08 PM] alice: yes.

[5:31:28 PM] Mark Lauman: so I suppose we can start with what traits our group has in common?

[5:32:55 PM] alice: yes

[5:32:59 PM] alice: kept their magnetsXD

[5:33:34 PM] Mark Lauman: what the ta noted in the lab was interesting too

[5:33:42 PM] Mark Lauman: The participants seem:
to be highly reflective
to be very positive - self improvement, change, etc
to desire motivation from people/sayings/events
to become attached to objects in an iconic (instead of materialistic) sense

[5:33:59 PM] alice: ah

[5:34:01 PM] alice: that is quite true

[5:34:03 PM] alice: quotes

[5:34:10 PM] alice: all 4 wrote quotes

[5:34:17 PM] alice: (jungwon) less but she did before

[5:34:38 PM] Mark Lauman: taking inspiration from others - interesting

[5:34:49 PM] alice: yess

[5:34:52 PM] alice: motivation thing

[5:35:31 PM] alice: insipration taking..literal sense

[5:35:41 PM] alice: mikaella re-writing magnet quote

[5:36:31 PM] alice: what else can be drawn from participants that anna didn't mention.

[5:37:02 PM] Mark Lauman: they all kept the notepad

[5:37:08 PM] alice: AH RIGHT!

[5:37:10 PM] alice: can't believe i forgot that.

[5:37:21 PM] alice: for what..lolxD

[5:37:30 PM] alice: that means..they're thieves!!!

[5:37:31 PM] alice: xD

[5:37:31 PM] alice: lol

[5:37:32 PM] alice: jk

[5:37:41 PM] Mark Lauman: =)

[5:37:44 PM] Mark Lauman: didn't they all comment on the package needing more creativity?

[5:37:56 PM] Mark Lauman: not sure - a bit out of touch =)

[5:38:12 PM] alice: um.

[5:38:22 PM] alice: i dont' remember hearing that in the interview

[5:38:33 PM] alice: but they did all agree that it would have been better if they had supplies to decorate the box with

[5:38:38 PM] alice: instead of having to go out and find it themselves

[5:39:03 PM] Mark Lauman: I'm noticing some linkage there

[5:39:21 PM] Mark Lauman: the participants all want affirmation that what they're doing is right

[5:39:32 PM] Mark Lauman: the participants desire direction for their actions

[5:41:27 PM] Mark Lauman: they seem a bit unsure about themselves - maybe they don't feel that secure?

[5:41:40 PM] alice: ah

[5:41:41 PM] alice: good point

[5:42:19 PM] Mark Lauman: they are young adults, so that would make sense - moving out on your own and figuring out who you are etc

[5:42:32 PM] alice: yea

[5:42:37 PM] alice: some students..some work full time(i.e., done shcool)

[5:42:57 PM] alice: mikalla is a lifeguard

[5:43:07 PM] alice: jungwon is a student, graduating soon
[5:43:21 PM] alice: not sure aobu the other 2:(
[5:43:46 PM] Mark Lauman: are they all in a state of transition?
[5:44:09 PM] alice: um..
[5:44:10 PM] alice: maybe?
[5:44:18 PM] alice: can't say anything for ruby though :(
[5:44:28 PM] alice: jungwon = graduating soon, daniel = moving
[5:44:45 PM] alice: mikella = working..is that transitioning?
[5:44:49 PM] alice: ruby ... not sure
[5:45:32 PM] Mark Lauman: well, Dan was moving, so he was changing from one place to another
[5:45:59 PM] Mark Lauman: one other person talked about perserverance or something didn't they?
[5:46:07 PM] alice: mikella?
[5:46:10 PM] alice: about memory boxes?
[5:46:17 PM] Mark Lauman: uncertain - never saw them =)
[5:46:23 PM] alice: ha. same
[5:46:40 PM] alice: hm.maybe 1 persona can be working full time + moving?
[5:47:21 PM] alice: moving out of parents home..to .."discover" him/herself?
[5:47:23 PM] alice: lol
[5:49:33 PM] Mark Lauman: I'll try composing 1 or 2 sentances to get a feel for the person I'm imagining from this conversation
[5:50:01 PM] Mark Lauman: then we can tweak them till we both like the persona?
[5:51:54 PM] alice: yes.definitely:D
[5:52:06 PM] alice: sounds like a good idea
[5:53:23 PM] Mark Lauman: all right, this is what I have for now:
[5:53:26 PM] Mark Lauman: Sue graduated from university a short while ago. She has a new full-time job and is in the process of moving into her first house. Her life is filled with rapid change, resulting in a feeling of insecurity. Sue's visits to the church group help her affirm that she is on the right path. She seeks comfort in the words of others.
[5:53:55 PM] alice: awesome :D
[5:54:09 PM] alice: maybe sya which university and major in what?
[5:54:11 PM] alice: and what this new job is.
[5:54:28 PM] alice: also..does she have a studentlaon?
[5:54:32 PM] alice: *loan?
[5:54:44 PM] alice: we can maybe say if hse's has/doesnt have mone
[5:54:50 PM] alice: this can add to the reason why she's looking for guidance?
[5:54:52 PM] alice: in a way.?
[5:57:46 PM] Mark Lauman: those are good points
[5:57:58 PM] alice: onoly use them if they're relevant though
[5:58:06 PM] Mark Lauman: can we draw from the users? do we have any info?
[5:58:15 PM] alice: about the struggles?
[5:58:24 PM] alice: i believe the one that's graduating is majoring in education?
[5:58:28 PM] Mark Lauman: well, anything I suppose =)
[5:58:30 PM] alice: to be a teacher
[5:58:56 PM] Mark Lauman: what do we know of the others?
[5:59:07 PM] Mark Lauman: seeing if we can find a middle ground =)
[5:59:15 PM] alice: um.
[5:59:24 PM] alice: not much is known about daniel
[5:59:26 PM] alice: except he's moving.
[5:59:37 PM] alice: ruby may be a perfectionist?
[5:59:48 PM] alice: she enjoys freedom
[6:00:15 PM] Mark Lauman: wasn't dan the guy in the basement of the house?
[6:00:26 PM] Mark Lauman: or was that someone else?
[6:00:37 PM] alice: mikaella's affirmations were about moving on, regret, going through obstacles..
[6:00:48 PM] alice: that was group
[6:01:02 PM] alice: only jungwon participated int he poster

[6:01:04 PM] alice: she was the one on the wall
[6:01:13 PM] alice: but daniel does seem like a guy who likes music
[6:01:23 PM] alice: his affirmations were lyrics from quotes
[6:01:32 PM] alice: were quotes from lyrics.
[6:01:52 PM] alice: he's probably also family-oriented (from affirmation)
[6:02:49 PM] Mark Lauman: so we know he's musically inclined, not sure if he's pursuing it as a career
[6:03:04 PM] alice: yea
[6:03:27 PM] Mark Lauman: moving out from home with strong family ties may cause some insecurity, but I don't know if this is his 2nd place or his first
[6:03:48 PM] alice: lets assume it's his first
[6:03:49 PM] alice: lol
[6:03:49 PM] alice: XD
[6:03:55 PM] alice: we probably wont' know unless we ask him
[6:04:56 PM] Mark Lauman: where was jung on the poster? I've forgotten =)
[6:05:12 PM] Mark Lauman: I mean, what room?
[6:08:34 PM] alice: um.
[6:08:42 PM] alice: let me check the pictures
[6:08:43 PM] alice: i forgot
[6:09:08 PM] Mark Lauman: np =)
[6:09:14 PM] alice: bathroom!
[6:09:15 PM] alice: lolXD
[6:09:15 PM] alice: hahaha
[6:09:25 PM] Mark Lauman: oh she was the girl on the ceiling!
[6:09:46 PM] alice: yes.
[6:09:51 PM] alice: that's the one
[6:10:51 PM] Mark Lauman: she also did the monkey stuff
[6:11:06 PM] Mark Lauman: make aluminum foil boots for her monkey
[6:11:09 PM] alice: yes
[6:11:13 PM] Mark Lauman: and a sign for the monkey
[6:11:14 PM] alice: correct
[6:11:19 PM] alice: possibly
[6:12:03 PM] alice: would that tie into the persona/
[6:12:15 PM] Mark Lauman: seems a little zany and creative
[6:12:59 PM] Mark Lauman: seems to like repurposing things in creative ways too
[6:13:43 PM] Mark Lauman: she also seems to be the only person who didn't use the bottle
[6:14:25 PM] alice: yes
[6:14:30 PM] alice: she used it in a ..creative way?
[6:14:46 PM] alice: she wrote hte quote on a cloth that wasn't even part of the probe
[6:14:54 PM] alice: also, the tissue that was used to wrap the affirm bottles
[6:14:58 PM] alice: she = creative :D
[6:14:59 PM] alice: lol
[6:16:07 PM] alice: hm.we dont really know much about the participants.."work"
[6:16:09 PM] alice: ...
[6:16:10 PM] alice: do we "make it up"?
[6:16:55 PM] Mark Lauman: well, gather what we can first, then improvise from there with half-assed explanations =)
[6:17:48 PM] Mark Lauman: or we can make it up too - either way works fine so long as we don't make a stereotyped person
[6:17:58 PM] Mark Lauman: and its a decent target
[6:19:00 PM] alice: lol
[6:19:01 PM] alice: ok.
[6:19:08 PM] alice: sounds good
[6:19:21 PM] alice: i'mgoing to copy and paste what you typed before
[6:19:31 PM] Mark Lauman: ok
[6:19:52 PM] Mark Lauman: I wonder if we could call Jung an outlier - she seems to be secure in herself

[6:20:17 PM] Mark Lauman: otherwise she wouldn't take so many risks with such confidence
[6:20:21 PM] alice: yah.
[6:20:26 PM] alice: i.e., "NO"
[6:20:28 PM] alice: XD
[6:20:42 PM] alice: would sue be our "target" persona
[6:20:46 PM] alice: or the one tha'ts a little.."less"?
[6:21:34 PM] Mark Lauman: well, sue I just threw out their as a starting point to a target person
[6:22:04 PM] Mark Lauman: but she isn't really fleshed out enough yet for me to bind her to anything =)
[6:22:13 PM] Mark Lauman: which do you prefer?
[6:23:22 PM] alice: hm.
[6:23:30 PM] alice: hard to say..
[6:23:42 PM] alice: sue ..
[6:23:53 PM] alice: seems liek she's very .. encouraged to attend the group
[6:24:01 PM] alice: for inspiration.and being around pplk.?
[6:24:11 PM] alice: (*people
[6:24:55 PM] alice: but maybe b/c she has a new job and moving, she may not have the time to attend? thus, making her less..ideal?
[6:25:11 PM] alice: but she wants inspiration/insecure; therefore, an ideal/target persona?
[6:25:48 PM] Mark Lauman: I tried to model her off of Dan, Ruby and Mikaella - the 3 that did not attend the group meeting
[6:26:00 PM] Mark Lauman: I didn't even see that connection actually =)
[6:26:20 PM] Mark Lauman: she may not always be there, as she's busy =)
[6:26:47 PM] alice: AH.
[6:26:58 PM] alice: i see i see
[6:27:00 PM] alice: makes sens
[6:27:00 PM] alice: e
[6:27:06 PM] alice: brb.have to pick up brother form skytrain
[6:27:10 PM] alice: about 10mins :)
[6:27:15 PM] alice: so ig uess this is the..break time :P
[6:27:15 PM] alice: lol
[6:27:29 PM] Mark Lauman: ok - I'll stay online, but will wander around doing other stuff for a bit
[6:27:36 PM] alice: kk
[6:27:49 PM] Mark Lauman: may take a bit for me to see your hello when you return =)
[6:48:37 PM] alice: bkac
[6:56:53 PM] Mark Lauman: hello =)
[6:57:13 PM] alice: lol
[6:57:19 PM] alice: i added a sentence to sue
[6:57:21 PM] alice: about her education
[6:57:29 PM] alice: just ot be..specific
[6:58:07 PM] alice: oH!..or maybe have her gradute from somewhere else
[6:58:09 PM] alice: and come to a new city.
[6:58:19 PM] alice: = part of the changes in her life :D
[6:58:47 PM] Mark Lauman: are any of the participants from out of town?
[6:59:19 PM] alice: i dotn think so :(
[6:59:42 PM] alice: nevermind that point then.
[7:00:05 PM] Mark Lauman: I'll add something on them not being able to make all the meetings
[7:00:19 PM] alice: ah
[7:00:19 PM] alice: right
[7:00:21 PM] alice: that one too
[7:01:54 PM] Mark Lauman: got it
[7:01:55 PM] Mark Lauman: However, the rapid changes in her life prevent her from regularly attending meetings, so she comes when she can.
[7:02:37 PM] alice: great
[7:02:55 PM] alice: should she move into a hosue?

[7:02:57 PM] alice: that sounds.."too rich"
[7:02:58 PM] alice: lolXD
[7:03:00 PM] alice: can u afford a houseXD
[7:03:02 PM] alice: XD
[7:03:15 PM] Mark Lauman: lol - how about place?
[7:03:23 PM] Mark Lauman: more generic
[7:03:26 PM] alice: would that be too general?
[7:03:33 PM] alice: apartment or something/
[7:04:58 PM] Mark Lauman: sure - I don't really have a preference =)
[7:05:18 PM] Mark Lauman: do we know where any of them live? we could draw from that
[7:05:39 PM] alice: no:(
[7:05:42 PM] alice: didn't ask those questions
[7:05:59 PM] Mark Lauman: I'll glance over the photos - see if I can gather anything
[7:06:26 PM] alice: ok
[7:06:58 PM] Mark Lauman: Dan appears to be in a small apartment in disarray for the moment
[7:08:02 PM] Mark Lauman: I think Jung is still living in her parent's house - there are 2 cars in the driveway
[7:08:12 PM] Mark Lauman: either that or she's friggin rich =)
[7:08:16 PM] alice: HAa
[7:08:17 PM] alice: xD
[7:08:18 PM] alice: lol
[7:08:18 PM] alice: maybeXD
[7:08:39 PM] alice: why do you think sh'es rich?
[7:09:07 PM] Mark Lauman: if she owns the house, and she has 2 cars then she's wealthier than me =)
[7:09:20 PM] Mark Lauman: or she has lots of financial backing
[7:09:20 PM] alice: LOL
[7:09:31 PM] alice: like the soccer team XD
[7:10:18 PM] Mark Lauman: both Mikaela and Ruby had damaged cameras
[7:10:25 PM] Mark Lauman: too few shots to make a conclusion
[7:11:11 PM] Mark Lauman: at least for me at any rate =)
[7:11:38 PM] alice: lol
[7:12:14 PM] alice: okays..
[7:12:22 PM] alice: do we have enough to develop persona 1?
[7:12:58 PM] Mark Lauman: well, we just keep on adding and adding
[7:13:11 PM] Mark Lauman: like whose words comfort her? etc
[7:13:22 PM] Mark Lauman: this should do for a core
[7:15:04 PM] alice: ah yes
[7:15:06 PM] alice: i looked at the pictures..
[7:15:10 PM] alice: ruby seems to value friendship
[7:15:18 PM] alice: she used a blank caption card and wrote "these are my friends"
[7:15:27 PM] alice: jung used the caption card for her bear
[7:15:34 PM] alice: "today i tried" and "today i was with"
[7:15:39 PM] alice: and yes..she does seem...richXD
[7:15:46 PM] alice: and living with her parentsXD
[7:16:07 PM] Mark Lauman: well, she may not be rich, but supported by well off parents =)
[7:16:28 PM] Mark Lauman: If she owns all that she's rich by university student standards =)
[7:16:29 PM] alice: lol
[7:16:36 PM] alice: definitely :S
[7:16:36 PM] alice: ...
[7:16:55 PM] Mark Lauman: putting down conclusions we made in the google doc
[7:17:10 PM] Mark Lauman: so they'll see our logic with the persoae we make
[7:17:40 PM] Mark Lauman: size 10
[7:28:07 PM] alice: lol.
[7:28:13 PM] alice: that's all we have..now.right?
[7:28:23 PM] Mark Lauman: I think so

[7:28:36 PM] Mark Lauman: making personae a header so they can link to it later
[7:28:43 PM] alice: ah
[7:28:46 PM] alice: that'll help :D
[7:29:42 PM] Mark Lauman: done - now the links on the top include links to those 2
[7:30:26 PM] alice: awesome
[7:30:30 PM] alice: k.i added a detail
[7:30:32 PM] alice: about where she works
[7:30:43 PM] alice: and what grade she teachers
[7:30:45 PM] alice: shoudl write her hours..
[7:30:47 PM] alice: 9-3
[7:31:05 PM] alice: with breaks at 10:15-10:30, and 12:00 - 12:50
[7:31:26 PM] alice: maybe have her teach band every...tuesday?
[7:31:31 PM] alice: meh
[7:31:33 PM] alice: i don tknowXD lol
[7:34:19 PM] Mark Lauman: does that work? unsure
[7:34:58 PM] alice: me unsure too :S
[7:35:00 PM] alice: ...
[7:35:26 PM] alice: maybe the hours can somehow reflect on her scheule/
[7:35:31 PM] alice: if she makes it to the meeting or not
[7:35:31 PM] alice: ?
[7:35:59 PM] Mark Lauman: possible
[7:36:09 PM] Mark Lauman: let me try a rephrase
[7:37:39 PM] alice: ah.good good
[7:38:31 PM] Mark Lauman: wondering if we could change the job sue has - unsure she could land a job like that so soon
[7:38:41 PM] Mark Lauman: especially in the current teaching climate =)
[7:38:47 PM] alice: lol
[7:38:48 PM] alice: ohk..
[7:38:50 PM] alice: sure
[7:38:51 PM] alice: letse changeXD
[7:39:06 PM] alice: mikella is lifeguard
[7:39:11 PM] alice: could we go with that?
[7:39:11 PM] alice: lol
[7:45:05 PM] alice: or do you ahve one in mind?
[7:45:15 PM] Mark Lauman: makes some sense - especially if she's teaching
[7:45:31 PM] Mark Lauman: trying to meld it into her character =)
[7:45:41 PM] Mark Lauman: why this job, etc =)
[7:46:15 PM] Mark Lauman: we know she likes to teach due to her degree
[7:46:40 PM] Mark Lauman: maybe she's lifeguarding and teaching swimming lessons?
[7:46:48 PM] alice: sure/
[7:46:54 PM] alice: or...a substituteXD
[7:46:55 PM] alice: lol
[7:47:06 PM] Mark Lauman: could be =)
[7:47:36 PM] alice: what's the training that simming teachers take/
[7:48:05 PM] alice: or
[7:48:13 PM] alice: say she's a substitute teacher at school district 41
[7:48:18 PM] alice: it's kinda.."bad" too
[7:48:27 PM] alice: i think it' skind of an.."on-call" gig:(
[7:48:45 PM] Mark Lauman: yeah - pretty much
[7:49:10 PM] Mark Lauman: some TOCs get lucky when a teacher in the area goes on maternity leave
[7:49:23 PM] Mark Lauman: but mostly an on call job
[7:49:54 PM] Mark Lauman: and kids almost never treat TOC's well =)
[7:50:05 PM] alice: i did
[7:50:06 PM] alice: lol

[7:50:19 PM] alice: bad treatment = insecure?XD
[7:50:23 PM] alice: or adds to low self-confidence
[7:50:26 PM] alice: b/c the students dont listen toher?
[7:50:44 PM] Mark Lauman: that could work
[7:51:10 PM] Mark Lauman: and we combine it with a new apartment, unfamiliar people, new routines
[7:51:17 PM] Mark Lauman: lots of stress =(
[7:51:38 PM] Mark Lauman: is it too much though?
[7:52:02 PM] Mark Lauman: or are we ok?
[7:55:41 PM] alice: lol
[7:55:44 PM] alice: erm.
[7:55:52 PM] alice: i think tha'tll be enough
[7:55:53 PM] alice: lolXD
[7:55:55 PM] alice: it's.."believable"
[7:55:55 PM] alice: no?
[7:55:56 PM] alice: lol
[7:56:00 PM] alice: or do you feel it's a stereotype?
[7:56:00 PM] alice: xd
[7:58:52 PM] alice: okays.
[7:58:56 PM] alice: i added that part about being a toc
[7:59:08 PM] Mark Lauman: ok
[7:59:58 PM] alice: ok..also the part about being treated poorly
[8:00:01 PM] alice: by studets
[8:00:03 PM] Mark Lauman: I like the both ideas - but I'm worried if we heap on too much stress they'll not be able to attend at all =)
[8:00:27 PM] alice: maybe..
[8:00:29 PM] alice: we can have.
[8:00:37 PM] alice: new job, apartment, uncertain routines
[8:00:40 PM] alice: remove the unfamiliar
[8:00:42 PM] alice: ?
[8:00:55 PM] alice: those 3 already add to stress level quite a bit
[8:01:12 PM] alice: uncertain routines is also added by a TOC schedule
[8:01:19 PM] Mark Lauman: Well, think about it - this is her first place
[8:01:48 PM] Mark Lauman: so she'll be learning how to live by herself, unless she lived in residence during her university carreer
[8:02:27 PM] Mark Lauman: that'll cause difficulties at home and work both, which may be too much
[8:02:46 PM] alice: lets say she lived in residence
[8:02:46 PM] alice: xD
[8:02:51 PM] Mark Lauman: easy fix =)
[8:03:07 PM] Mark Lauman: lets go for it
[8:03:19 PM] alice: yay!
[8:03:24 PM] alice: problem solved :D
[8:04:54 PM] Mark Lauman: but if she lives in residence, then how did she stay involved with these guys?
[8:05:11 PM] Mark Lauman: she'd be detached from the church group
[8:06:17 PM] Mark Lauman: this is difficult =)
[8:06:36 PM] alice: dont think about thatXD
[8:06:36 PM] alice: lol
[8:06:36 PM] alice: haha
[8:06:49 PM] Mark Lauman: me neither =)
[8:06:53 PM] alice: after resident
[8:07:02 PM] alice: b/c she graduated 6 months ago :D
[8:07:03 PM] alice: lol
[8:07:26 PM] Mark Lauman: 1 moment, I'll write something up
[8:09:06 PM] Mark Lauman: hmm... we're making up a lot here without consulting the group info
[8:09:19 PM] Mark Lauman: could we draw from them?

[8:10:13 PM] alice: lolxD
[8:10:24 PM] alice: we added a few stuff
[8:10:32 PM] alice: but most are from the group..?
[8:10:32 PM] alice: no?
[8:10:51 PM] alice: education = jungwon, new place=daniel
[8:11:06 PM] alice: what we made up = TOC
[8:11:08 PM] alice: um..
[8:11:10 PM] alice: that's all?
[8:11:11 PM] alice: lolxd
[8:11:22 PM] alice: we dont have to say sue stayed at residence or not
[8:12:57 PM] Mark Lauman: I'm creating a timeline based off of the assumptions we made thus far - I'll post it up
[8:13:42 PM] alice: oka.
[8:13:58 PM] alice: let me know when it's up
[8:14:06 PM] Mark Lauman: got it
[8:14:12 PM] Mark Lauman: copy - paste =)
[8:14:25 PM] Mark Lauman: in bold
[8:14:53 PM] alice: ah
[8:14:55 PM] alice: sounds.good :D
[8:14:57 PM] alice: lol
[8:15:26 PM] Mark Lauman: somewhat haphazard, but it can be cleaned up =)
[8:16:02 PM] alice: lol
[8:16:02 PM] alice: ya.
[8:16:04 PM] alice: no biggy
[8:17:23 PM] Mark Lauman: do we know where people went to school?
[8:17:23 PM] alice: maybe we can elaborate on what hse likes to do on her free time?
[8:17:30 PM] alice: participatns?
[8:17:38 PM] Mark Lauman: yeah =)
[8:17:48 PM] alice: i dont think so :(
[8:17:53 PM] Mark Lauman: if they went to a local university, then the thing makes more sense
[8:18:04 PM] Mark Lauman: they'll be close to the others still
[8:18:11 PM] alice: lets just say loca ;P
[8:18:11 PM] alice: XD
[8:27:52 PM] Mark Lauman: right now she seems too downtrodden =)
[8:28:17 PM] alice: downtrodden?
[8:28:29 PM] Mark Lauman: the people we talked to in the meeting were assertive and decisive
[8:28:53 PM] alice: oh.
[8:28:54 PM] alice: k.
[8:29:02 PM] Mark Lauman: right now she seems rather fragile - as if when we took away support she'd collapse
[8:29:19 PM] alice: XD
[8:29:26 PM] Mark Lauman: maybe we could develop further?
[8:29:32 PM] alice: we are.."big brother" -- reference from 1984:P
[8:29:57 PM] alice: should we be specific with the sum she has to pay for the apartment?
[8:30:01 PM] alice: monthly payments.
[8:30:04 PM] alice: or just levae that out?
[8:30:23 PM] Mark Lauman: ooh - I have to re-read, just added that last paragraph
[8:30:29 PM] Mark Lauman: I completely missed that =)
[8:32:11 PM] alice: lol.
[8:32:18 PM] alice: reading last paragraph
[8:32:29 PM] Mark Lauman: think we're a little too specific on the rent payments =)
[8:32:45 PM] Mark Lauman: I'll try an obfuscated version, see what you think
[8:33:18 PM] alice: lol.
[8:33:36 PM] alice: ya.it is a little too..detailedXD
[8:33:40 PM] alice: with the monthly payments :S
[8:35:01 PM] Mark Lauman: there we go

[8:36:18 PM] Mark Lauman: well, I'm using Sue in the last sentence of the first paragraph and the first sentence of the 2nd now

[8:36:29 PM] Mark Lauman: yay overuse of the name! =)

[8:37:31 PM] alice: lolxD

[8:37:31 PM] alice: it's ok

[8:37:32 PM] alice: no big

[8:39:07 PM] alice: lets give her an age

[8:39:09 PM] alice: ...

[8:40:32 PM] Mark Lauman: where are our participants anyway?

[8:40:44 PM] alice: hm?

[8:40:44 PM] Mark Lauman: is the church in south burnaby?

[8:40:51 PM] alice: i think richmondXD

[8:41:02 PM] alice: i dont know any elementary schools in richmond :(

[8:41:07 PM] Mark Lauman: lets try basing things off the actual place =)

[8:41:14 PM] alice: okies

[8:41:26 PM] Mark Lauman: well, TOC's don't have an assigned school, they roam from place to place

[8:41:43 PM] Mark Lauman: but they stay within the district

[8:42:15 PM] Mark Lauman: sd 38 is richmond

[8:42:21 PM] Mark Lauman: lol

[8:42:24 PM] alice: lolxD

[8:42:25 PM] alice: yah

[8:42:26 PM] alice: ha

[8:42:28 PM] alice: all fixed :D

[8:42:29 PM] Mark Lauman: great minds think alike =D

[8:43:42 PM] alice: lol.

[8:43:50 PM] alice: oh sigh

[8:44:00 PM] alice: should it be UBC in okanagan?

[8:44:13 PM] alice: more justified why they're residing in residency

[8:44:23 PM] alice: or somewhere close to home

[8:44:29 PM] alice: but still chose to stay at residence

[8:45:13 PM] Mark Lauman: what was the name of the church again?

[8:47:58 PM] alice: oh i dont knowthat oneXD

[8:47:59 PM] alice: lol

[8:48:00 PM] alice:

[8:48:06 PM] alice: have to ask sha/serge about that

[8:48:35 PM] Mark Lauman: trying to find universities in richmond - I got Kwantlen & BCIT aerospace campus =)

[8:50:19 PM] Mark Lauman: thats a good point actually - why would she live in res if she is close to home?

[8:51:08 PM] alice: lol

[8:51:22 PM] alice: well...i haver a friend who lives in burnaby and wanted to stay at sfu burnaby's residenceXD

[8:51:23 PM] alice: XD

[8:54:18 PM] Mark Lauman: I don't think kwantlen has residence =)

[8:54:57 PM] Mark Lauman: and BCIT aerospace doesn't strike me as a place where you can get an education degree for elementary schools =)

[8:55:22 PM] alice: lol

[8:55:26 PM] alice: ya...

[8:55:33 PM] alice: maybe just say sfuXD

[8:55:37 PM] alice: or ubc?

[8:56:00 PM] alice: whic one is further/

[8:56:40 PM] Mark Lauman: ubc is closest

[8:56:49 PM] alice: then say sfu burnaby campus thenXD

[8:56:50 PM] alice: lol

[8:56:51 PM] alice: since it's furtherXD

[8:57:16 PM] Mark Lauman: but we also wanted her involved in her church group =)

[8:57:30 PM] Mark Lauman: lol - we've built a tangled web of lies =D

[8:57:36 PM] alice: lolxD
[8:57:38 PM] alice: not that badXD
[8:57:45 PM] alice: she can still go for meetings
[8:57:46 PM] alice: XD
[8:57:49 PM] alice: transit :D
[8:58:01 PM] alice: or maybe just have her NOT stay at residency
[9:02:21 PM] alice: brb.
[9:02:21 PM] alice: dinner
[9:02:26 PM] Mark Lauman: ok
[9:15:26 PM] alice: okat
[9:15:27 PM] alice: back
[9:18:31 PM] alice: should we still have her stay at residency?
[9:19:48 PM] Mark Lauman: I'm back too =)
[9:20:16 PM] Mark Lauman: well, the reason why we put her at residency was so that she could manage living on her own right?
[9:21:07 PM] Mark Lauman: if we have a time delay between her taking on the job and her moving out that should reduce the stress
[9:21:25 PM] alice: ah
[9:21:25 PM] alice: oh wel
[9:21:28 PM] alice: just leave it in there then
[9:21:29 PM] alice: xD
[9:21:29 PM] alice: lol
[9:21:47 PM] alice: sigh.getting tired. :S
[9:22:00 PM] alice: been getting tired everyday since school started :S

[9:22:09 PM] alice: lol
[9:22:12 PM] Mark Lauman: not surprising =)
[9:22:24 PM] alice: YAY!!! ((yawn))
[9:22:35 PM] Mark Lauman: agreed =)
[9:22:58 PM] Mark Lauman: should we write up what is decided and not decided about sue?
[9:23:08 PM] Mark Lauman: seperate it into groups and leave it there?
[9:23:08 PM] alice: um.
[9:23:14 PM] alice: maybe?
[9:23:20 PM] alice: i kidna wnat to get sue done today
[9:23:22 PM] alice: XD
[9:23:23 PM] alice: lol

[9:23:41 PM] alice: or maybe today tooXD
[9:23:45 PM] alice: but atleast sue done tonight
[9:29:16 PM] alice: maybe we should ahve a paragraph about her interests?
[9:29:18 PM] alice: and values?
[9:30:54 PM] Mark Lauman: But what interests and values can we draw from the group?
[9:31:04 PM] alice: music?
[9:31:13 PM] alice: and family?
[9:31:40 PM] alice: or friends?
[9:31:43 PM] Mark Lauman: I'm just worried that we'll make her too spread out =)
[9:31:52 PM] alice: ah
[9:31:59 PM] alice: from the sample poster things..they talk about their itnerest?
[9:32:04 PM] alice: or showed pictures of what the persona liked to do
