

June 4

[12:06:57 PM] alice: heyloo
[12:08:07 PM] Mark Lauman: hello =)
[12:09:05 PM] alice: still tired :S
[12:09:06 PM] alice: .
[12:09:06 PM] alice: lol
[12:09:51 PM] Mark Lauman: whee =)
[12:17:43 PM] alice: anywho..
[12:17:43 PM] alice: lets continue
[12:17:48 PM] alice: and have this done :D
[12:26:53 PM] alice: how abouts..for sue
[12:27:01 PM] alice: that she did not stay at residency...but for her new apartment, it's close to home..
[12:27:04 PM] alice: ?
[12:27:14 PM] alice: so she has that.."comfort" of knowing that her parents are closeby if she needs help?
[12:27:16 PM] alice: decreases the stress a little?
[12:27:32 PM] Mark Lauman: I'm still worried that sue is too stereotyped
[12:27:39 PM] Mark Lauman: she seems really weak =)
[12:27:44 PM] alice: lol.
[12:28:00 PM] alice: hm.
[12:28:05 PM] alice: then maybe take some of the stress/challenges out?
[12:28:08 PM] alice: maybe have her stay at home.
[12:28:10 PM] alice: not move out
[12:28:14 PM] Mark Lauman: like - if we were to do a quote from her, what would it be?
[12:28:15 PM] alice: that can be for persona 2?
[12:28:19 PM] alice: "help me..."
[12:28:21 PM] alice: lolxD
[12:28:28 PM] Mark Lauman: pretty much =)
[12:28:42 PM] Mark Lauman: nobody is like that unless they've been through HELL
[12:29:45 PM] Mark Lauman: maybe we could find something to make her less flimsy?
[12:30:10 PM] Mark Lauman: we've been talking mostly about what sucks for her, not what's good
[12:30:15 PM] alice: lol
[12:30:17 PM] alice: yah..
[12:30:24 PM] alice: maybe something about php?
[12:30:30 PM] alice: or.pdp?
[12:30:34 PM] alice: i forgot what it was for teaching thing
[12:30:40 PM] alice: maybe we can say how that made her.."stronger"?
[12:31:18 PM] Mark Lauman: not so sure about that - still makes her seem weaker than usual =)
[12:31:34 PM] Mark Lauman: she's a teacher - you don't last in that field if you aren't decisive
[12:31:54 PM] Mark Lauman: and she wouldn't have survived university =)
[12:33:21 PM] alice: lol.
[12:33:37 PM] alice: maybe remove the part about students not treating her well?
[12:33:57 PM] alice: she probably knows..with the job...of being a toc, you aren't repsected as much as a full time teacher (learned from pdp/uni)
[12:35:39 PM] Mark Lauman: probably still causes stress, but she was expecting stress =)
[12:35:53 PM] Mark Lauman: sort of a SNAFU situation

[12:36:00 PM] alice: dont knwo what that is..but okXD
[12:36:47 PM] Mark Lauman: SNAFU is an old WW2 saying - "Situation normal, all fouled up"
[12:36:56 PM] alice: um.o
[12:36:59 PM] Mark Lauman: or, if your a soldier, the f word is replaced =)
[12:37:29 PM] Mark Lauman: basically "a life sucks, deal with it" scenario
[12:38:17 PM] alice: ah.
[12:38:19 PM] alice: o
[12:38:19 PM] alice: k
[12:42:01 PM] alice: oi.
[12:42:06 PM] alice: how to rectify this ...
[12:42:06 PM] alice: blah
[12:48:10 PM] alice: this is..tough :S
[12:48:13 PM] alice: hm..
[12:48:22 PM] alice: would it help if we removed some of the.."stress"?
[12:51:56 PM] Mark Lauman: in part - though I think a lot of it is the tone
[12:52:09 PM] alice: my tone is very..weak
[12:53:57 PM] alice: so the way it's written?
[1:04:32 PM] alice: hm.i think the persona is somewhat..belieavableXD
[1:04:37 PM] alice: some students like to.."move out" after school
[1:04:38 PM] alice: or even during schoolD
[1:05:15 PM] Mark Lauman: I'm not really too worried about her being a passive person - but I am worried that if we take it too far it will become cartoony and exaggerated
[1:05:34 PM] Mark Lauman: don't see the balance right now =)
[1:06:52 PM] alice: hm.
[1:07:43 PM] alice: ah.
[1:07:44 PM] alice: i see
[1:08:06 PM] Mark Lauman: I'm also unsure if any of the participants we did were passive, or if they were assertive
[1:08:18 PM] Mark Lauman: if we have a type mismatch we may design for the wrong person =)
[1:08:35 PM] alice: yah
[1:08:46 PM] alice: that wouldn't be good.
[1:09:12 PM] alice: whatdo you mean passive?
[1:09:16 PM] alice: quiet?
[1:09:19 PM] alice: indecisive?
[1:11:19 PM] Mark Lauman: I suppose quiet would be closest - passive people aren't necessarily indecisive
[1:11:41 PM] Mark Lauman: they could decide something then wait for the opprtune moment to speak, etc
[1:13:01 PM] Mark Lauman: passive as in not agressive
[1:13:29 PM] Mark Lauman: they don't push hard, they use other means
[1:15:10 PM] alice: ahh
[1:15:10 PM] alice: ok.
[1:15:26 PM] alice: form the interview.i think jungwon and mikaella may be passive
[1:15:28 PM] alice: ruby may be a bit more..assertive?
[1:23:44 PM] Mark Lauman: lol - we could have a lot of fun using abiguous personality descriptors to talk about these guys =)
[1:24:23 PM] Mark Lauman: I don't know who's who, so I can only point out people
[1:25:04 PM] Mark Lauman: Dan and the rightmost girl seem rather energetic - they're always playing with something or talking

[1:26:40 PM] Mark Lauman: the leftmost girl seems more passive to me. She doesn't talk much but her opinion is valued - everyone is quiet when she starts to talk

[1:26:57 PM] alice: yes.

[1:26:57 PM] alice: XD

[1:26:59 PM] alice: lol

[1:27:09 PM] alice: but the 2nd girl from the left was interpreted by daniel once though

[1:27:25 PM] alice: she's the one that values friendship (from pictures)

[1:28:05 PM] Mark Lauman: oh - she's ruby

[1:28:48 PM] Mark Lauman: that's the one with the "these are my friends" photo

[1:31:30 PM] Mark Lauman: she seems to switch gears more often

[1:32:03 PM] Mark Lauman: passive and assertive by turns in response to the group

[1:32:45 PM] Mark Lauman: there are a few times where she speaks for everyone

[1:35:13 PM] alice: yahh

[1:35:15 PM] alice: agree

[1:35:17 PM] alice: jungwon seems more passive than ruby

[1:37:44 PM] alice: there was a time in the interview where jungwon did want to share something..

[1:37:50 PM] alice: = a sign of passive-ness?

[1:37:50 PM] alice: XD

[1:43:00 PM] alice: sigh..today isn't as productive as yesterday's meetingXD

[1:43:00 PM] alice: lol

[1:43:01 PM] alice: not good to have a meeting when i'm at work :S

[1:43:38 PM] Mark Lauman: lol - no worries, we do our best =)

[1:46:24 PM] Mark Lauman: basically, we want to get a sense of who sue is

[1:47:07 PM] Mark Lauman: we'll need to roleplay her later

[1:52:51 PM] alice: yeah

[1:52:51 PM] alice: sigh

[1:52:53 PM] alice: i dont like role-playingX

[1:53:03 PM] alice: i like role-playing Games (final fantasy)

[1:53:04 PM] alice: lolxd

[1:56:21 PM] alice: we have to somehow...justify/fix sue's weakness

[2:10:23 PM] alice: oi.

[2:10:27 PM] alice: i cant think of a way atm.:S

[2:13:55 PM] Mark Lauman: I'll try a rewrite- see if I can do another spin on her

[2:14:54 PM] alice: lol

[2:50:53 PM] Mark Lauman: well, prepare for a wall of text =)

[2:50:57 PM] Mark Lauman: Sue is a graduate of SFU's Education program. A mildly assertive person, she was recognized as a promising teacher by the Richmond school board, and offered a job as a teacher on call. Upon graduating, Sue returned back home and began work in her new job. She had an aptitude for it, but many of the classes she taught contained rowdy individuals, making work a trying experience. Sue's eventual goal is to be hired into the school district as a full time teacher. Her newfound income has granted Sue greater autonomy than ever before, and also presented her with many new hardships. She has placed a down payment her first apartment, and has begun to move away from home. These changes are trying and stressful, but Sue can handle it. She did it before at university. When she returned back home, Sue became involved in her church's youth group. The group contained many childhood friends of Sue, so she quickly became a member of the team. To Sue, the group provides comfort and support, by giving her a time to relax and not think of her troubles at work and home. While her busy schedule doesn't always allow her to attend group meetings, she comes when she is able, and contributes whenever possible.

[2:51:03 PM] alice: HAXD

[2:51:05 PM] alice: it's all good
[2:51:05 PM] alice: text is good :D
[2:51:31 PM] Mark Lauman: tried to portray her as mildly assertive
[3:08:19 PM] alice: time ot read
[3:08:19 PM] alice: lol
[3:08:21 PM] alice: sigh..soo busy
[3:08:29 PM] alice: when the game starts, it should slow down :D
[3:13:35 PM] Mark Lauman: =)
[3:18:57 PM] alice: wow
[3:18:59 PM] alice: that is VERY good
[3:18:59 PM] alice: !!!!!
[3:19:01 PM] alice: makes her sound LESS weak.
[3:19:09 PM] alice: fantastic job mark
[3:19:13 PM] alice: i can't write like that :(
[3:35:10 PM] Mark Lauman: lol - I've had years of practice from insane teachers =)
[3:35:38 PM] Mark Lauman: also keep in mind that that took me a good 30 min =)
[3:42:29 PM] alice: lol.
[3:42:35 PM] alice: it can take me hours and still not be able tow rite like that
[3:42:42 PM] alice: see..that sentence was just...wrongXD
[3:42:43 PM] alice: lol
[4:03:02 PM] alice: i think that wall of text you came up with was good :D
[4:03:06 PM] alice: much better than the original version
[4:03:30 PM] alice: what do you think?
[4:03:40 PM] alice: do you think it removes some of hte weaknesses that we had before?
[4:08:53 PM] Mark Lauman: I think so - she feels more "real" i suppose
[4:08:58 PM] alice: yah
[4:08:59 PM] alice: agree
[4:10:12 PM] alice: ok...iadded what you typed on the doc
[4:10:18 PM] alice: i didn't see it ..
[4:22:52 PM] Mark Lauman: no, it was a draft so I just posted it here =)
[4:26:29 PM] alice: ohhh
[4:26:34 PM] alice: it's a very good draft :D
[4:26:44 PM] Mark Lauman: yay =)
[4:27:12 PM] alice: then..
[4:27:22 PM] alice: do you think the concerns were addressed with the draft?
[4:32:01 PM] Mark Lauman: I think so - just looking over what we decided to make sure we got everything
[4:32:39 PM] Mark Lauman: we have nothing on the famous quotes or hobbies yet
[4:33:11 PM] Mark Lauman: do we want to include the quotes bit?
[4:39:23 PM] alice: ah.
[4:39:28 PM] alice: famous quotes..
[4:39:38 PM] alice: you mean for the persona poster?
[4:39:43 PM] alice: or mentnioning it in the person descriptiON/
[4:48:51 PM] Mark Lauman: well, just wondering if we want to carry over the fact that she's inspired by famous quotes
[4:48:57 PM] alice: maybe we cna have a new paragraph
[4:49:05 PM] alice: or add a sentence in there about it
[4:49:35 PM] Mark Lauman: we don't have anything on hobbies though - and we'll need some
[4:49:49 PM] Mark Lauman: do we know anything on the participants hobbies?

[4:52:00 PM] alice: "She draws inspiration and encouragement from quotes written by writers, poets, and even singers. "

[4:52:00 PM] alice: added this in?

[5:05:01 PM] Mark Lauman: sure - that'll work

[5:15:30 PM] alice: should it be rewroded?

[5:15:31 PM] alice: lol

[5:15:59 PM] Mark Lauman: no - its ok =)

[5:16:30 PM] Mark Lauman: but we still need to elaborate on her hobbies

[5:18:43 PM] alice: yes..

[5:18:46 PM] alice: jungown seems to like teddies

[5:18:55 PM] alice: music.?

[5:19:19 PM] alice: ruby + mikaella suggested ipods as incentivesXD

[5:19:20 PM] alice: so maybe likes listening to music/

[5:37:27 PM] alice: what doyou think?

[5:41:41 PM] Mark Lauman: I dunno

[5:42:01 PM] Mark Lauman: I don't think I have enough info to decide - don't know them well =)

[5:42:07 PM] alice: same..:(

[5:42:08 PM] alice: we're assuming :(

[5:50:54 PM] Mark Lauman: Should we leave that bit for Serge & Shahana? They might have a better idea

[5:51:00 PM] Mark Lauman: not sure - but who knows

[5:51:11 PM] alice: hm.

[5:51:28 PM] alice: we'd probalby have to wait for monday :S:(

[5:51:37 PM] alice: but we do know daniel likes music

[5:54:39 PM] Mark Lauman: I have to go to supper - you can decide =)

[5:54:45 PM] alice: or...

[5:54:46 PM] alice: likes to write quotes

[5:54:49 PM] alice: like jungwon

[5:55:02 PM] alice: like..

[5:55:03 PM] Mark Lauman: that could work too =)

[5:55:04 PM] alice: she use to write quotes and put it in bottles

[5:55:09 PM] alice: but sotpped..

[5:57:31 PM] Mark Lauman: that could work

[5:57:38 PM] Mark Lauman: which do you prefer?

[5:57:51 PM] alice: maybe collecting quotes

[5:58:00 PM] alice: b/c sue already likes to write quotes

[5:58:00 PM] alice: for inspiration

[5:58:15 PM] alice: so instead of just writing them..and throwing htema way, she puts them in a bottle

[5:58:21 PM] alice: or writes them in a diary?

[6:01:24 PM] Mark Lauman: I have to go to supper - I'll be back

[6:01:29 PM] alice: all righty

[6:01:33 PM] alice: we can..develop this idea :)

[6:20:05 PM] Mark Lauman: I'm back =)

[6:20:18 PM] Mark Lauman: any thoughts?

[6:21:17 PM] alice: welcome backs.

[6:21:26 PM] alice: i think hobbies is looking for inspirational quotes

[6:21:28 PM] alice: and storing them

[6:21:29 PM] alice: it's also another trait

[6:21:42 PM] alice: mikaella = perservation?

[6:21:43 PM] alice: remember thing?
[6:22:02 PM] alice: to keep things
[6:22:04 PM] alice: memories
[6:26:43 PM] alice: thoughts/
[6:41:52 PM] Mark Lauman: I'm not really sure what you're saying =)
[6:42:15 PM] alice: um
[6:42:17 PM] alice: the 3rd girl from the left..
[6:42:28 PM] alice: she said in the interview that she likes to.."keep things"
[6:43:27 PM] alice: while jungwon likes to keep quotes
[6:43:35 PM] alice: i guess just go with oneXD
[6:43:41 PM] alice: her liking ot keep quotesXD
[6:53:45 PM] Mark Lauman: sure - that works
[6:55:24 PM] Mark Lauman: added a sentance at the end - not sure if that's what you wanted =)
[6:57:00 PM] alice: lets seee
[6:57:15 PM] alice: ah yes
[6:57:17 PM] alice: that'll work :)
[6:57:26 PM] alice: should make it sound."hobby-ish"?
[6:57:31 PM] alice: lol
[6:57:47 PM] alice: like..on her spare time...sue likes to colect quotes
[6:58:04 PM] alice: it's kinda..repeating"She draws inspiration and encouragement from quotes written by writers, poets, and even singers."
[7:02:40 PM] Mark Lauman: tried to elaborate more - trying to make it seem like a hobby
[7:03:19 PM] Mark Lauman: since they are the same thing, if we do a seperate paragraph for the quotes and expand on it as a hobby, we won't need to metion it above
[7:04:45 PM] alice: ah right.
[7:05:05 PM] alice: with the new sentences
[7:05:08 PM] alice: should we remove the one on the top?
[7:05:23 PM] alice: the part i highlighted
[7:05:29 PM] alice: b/c it's being stated in the new para
[7:06:02 PM] Mark Lauman: yeah - they're pretty much the same =)
[7:07:53 PM] alice: all righty
[7:07:55 PM] alice: deleting
[7:08:19 PM] alice: who is lecare?
[7:08:23 PM] alice: lecræ
[7:08:31 PM] alice: an affirmation bottle had a lecræ one
[7:08:49 PM] alice: oh..a singer?
[7:08:51 PM] alice: or something
[7:09:08 PM] Mark Lauman: I dont know =)
[7:09:14 PM] alice: i added it in
[7:09:18 PM] alice: i remember that name b/c i read that quoteXD
[7:09:45 PM] alice: is that sufficient for her hobbies/
[7:11:14 PM] Mark Lauman: for now - sure. If the others need/want more they can work on that too =)
[7:12:52 PM] alice: yay :D
[7:19:46 PM] Mark Lauman: 2nd persona?
[7:20:06 PM] Mark Lauman: is sue ok do you think?
[7:21:46 PM] alice: erm.
[7:21:49 PM] alice: i think it's not bad
[7:22:01 PM] alice: we can develop it more if we have to
[7:22:07 PM] alice: but i think we can move on to persona 2 :D

[7:22:10 PM] alice: let's call him...
[7:22:27 PM] alice: daniel?
[7:22:29 PM] alice: david?
[7:22:31 PM] alice: dave?
[7:22:33 PM] alice: josh?
[7:22:35 PM] alice: michael?
[7:22:36 PM] alice: mike?
[7:22:41 PM] alice: robert?
[7:22:43 PM] alice: steven
XD
[7:28:34 PM] Mark Lauman: well, what will this persona be?
[7:29:23 PM] alice: um.
[7:29:29 PM] alice: a man
[7:29:32 PM] alice: or boy?
[7:29:32 PM] alice: male
[7:29:34 PM] alice: lol.
[7:29:36 PM] alice: hm.
[7:29:37 PM] alice: who should sue be
[7:29:48 PM] alice: the ideal participant / the one that's a little.."less"
[7:31:28 PM] Mark Lauman: not one that's less, one that's slightly off target =)
[7:31:52 PM] Mark Lauman: so a person who would be somewhat involved in what we're designing, but not directly hit
[7:32:27 PM] Mark Lauman: like - blackberries were designed for businesspeople, but other people adopted them too
[7:33:02 PM] alice: ah
[7:33:03 PM] alice: ok.
[7:33:06 PM] alice: that's what i meant.XD
[7:33:09 PM] alice: didn't know how to...say itXD
[7:33:22 PM] Mark Lauman: np =)
[7:33:38 PM] alice: sue does seem like target participant
[7:33:44 PM] alice: but she's not able to make it to all meetings..
[7:34:02 PM] alice: i dont know if we have enough information to have a 2nd personaXD
[7:34:09 PM] alice: most of it was applied to persona 1
[7:34:10 PM] alice: XD
[7:35:21 PM] Mark Lauman: what are the age ranges we're looking at for this group?
[7:35:28 PM] alice: oi.
[7:35:33 PM] alice: young adults
[7:35:34 PM] alice: XD
[7:35:35 PM] alice: lol
[7:35:35 PM] alice: 21-26ish
[7:35:39 PM] alice: around there
[7:37:35 PM] Mark Lauman: Wait - what are we designing for?
[7:38:12 PM] Mark Lauman: if we want to make people who aren't there feel like they're there, then we should make a 2nd group member who is there all the time
[7:38:28 PM] Mark Lauman: he'll be involved with the device, but only on the edge
[7:38:47 PM] Mark Lauman: how to phrase it...
[7:38:51 PM] alice: ah..i think i get it
[7:39:44 PM] alice: like..sue can still be there..even though she's not..there?
[7:39:46 PM] Mark Lauman: basically, what we want to make will affect the 2nd persona

[7:40:26 PM] Mark Lauman: and that's only 1 design angle =)

[7:41:05 PM] alice: ah.

[7:41:40 PM] alice: that could wokr.

[7:42:10 PM] alice: so that sue wouldn't miss anything from the group thing :)

[7:45:03 PM] alice: maybe persona 2 can be a student

[7:45:08 PM] alice: isn't as busy

[7:45:16 PM] alice: so she/he can make it to all meetings

[7:45:59 PM] Mark Lauman: but then you have the issue of where the student goes to school =)

[7:46:31 PM] Mark Lauman: if they live in burnaby, they won't attend the meetings in richmond all the time unless they're super dedicated =)

[7:50:23 PM] alice: oh.

[7:50:25 PM] alice: the person works at a golf course

[7:50:29 PM] alice: stable job.

[7:54:29 PM] Mark Lauman: ok - so a person with a stable job in the local area

[7:54:58 PM] alice: yes

[7:54:58 PM] Mark Lauman: probably older than sue

[7:54:59 PM] alice: yes

[7:55:19 PM] alice: and values friendship = has friends in group = motivation to attend meetings

[7:56:24 PM] Mark Lauman: maybe they're in charge of events?

[7:56:49 PM] alice: that point may be a false oneXD

[7:56:50 PM] alice: lol

[7:56:52 PM] Mark Lauman: they've less to do and are more dedicated to their hobbies?

[7:56:52 PM] alice: a made up one

[7:56:53 PM] alice: but sure :D

[7:57:25 PM] Mark Lauman: well, the first persona is our target right - so it has to draw from our group

[7:57:31 PM] Mark Lauman: not sure about the 2nd

[8:02:45 PM] alice: ah

[8:02:49 PM] alice: we can make it up :D

[8:02:49 PM] alice: hehe

[8:05:36 PM] alice: butyes..it makes sense if he/she is responsible for organizing events which makes him/her present at all meetings

[8:14:08 PM] alice: shall we go with that?

[8:14:55 PM] Mark Lauman: sure - though if we make him have a stable job and a stable residence, then we'll have to make more hobbies for him so he won't spend forever sitting around

[8:15:52 PM] alice: HA

[8:15:54 PM] alice: XD

[8:15:54 PM] alice: well.

[8:15:55 PM] alice: he has job..

[8:16:03 PM] alice: so he does..some thingXD

[8:17:53 PM] alice: what hobbies..

[8:18:01 PM] alice: plays golfXd

[8:18:06 PM] alice: that's made up

[8:18:11 PM] alice: but daniel works at golf courseXD

[8:31:28 PM] Mark Lauman: Isn't that a little golf intensive? =)

[8:34:40 PM] alice: lolxD

[8:34:49 PM] alice: i got to go

[8:34:53 PM] alice: time to clse

[8:35:03 PM] Mark Lauman: all right

[8:35:22 PM] Mark Lauman: should we call it a day, or will you be back later?

[8:35:39 PM] alice: i wil be back later
[8:35:41 PM] alice: XD
[8:35:43 PM] alice: you want to wait?

[10:58:22 PM] Mark Lauman: he's also been in a stable job and home for a bit, so he'd gain some confidence
